COCA CURDIAL The great value of the peculiar properties of the Coca less are now well known. A multitude of morbid phenomena have their orgin in reflex irritation, and hence, under the influence of anodynes and sedatives, the symptoms disappear Cocaine differs from the narcotics which have heretofore been employed, such as opium, in that its action is comparatively transient, and is attended with little, if any, secondary depression.

It becomes thus preeminently the remedy for all

morbid conditions depending on nervous ex-The cordial presents the drug in a palatable SUSSEX form, commending it especially to the large class BATAVIA SATURDAY, 14th Nov. of persons of delicate nervous organization, for ABYSSINIA THUESDAY, whom it has most frequently to be prescribed. cordial of a rich vinous flavour. It is of especial value in those cases where exhausting mental labour has led to morbid depression of spirits. There is no remedy like it for a fit of the blues." It relieves the nervous irritability that follows indulgence in excesses of any kind, restoring the capacity for work, and giving renewed energy. It thus acts as a sort of autidate to the effect of opium, alcohol, tobacco or coffee, and judiciously used may even enable one to overcome the morbid craving for any of these stimulants when they have been used to excess. The cordial may be given in doses of a des-

sert epconful, repeated as occasion requires. Price \$1.50 per bottle.
